The screenshot shows the Barrow Learning Management System interface. At the top, the Barrow Neurological Institute logo is visible. Below it, the page title is "Barrow Learning Management System". The breadcrumb trail reads "Dashboard > Courses > Barrow Brainbook > Enrollment options". The main content area is titled "Enrollment options" and contains two radio buttons: "CIF" and "CAA". The "CIF" button is highlighted with a red box. A red arrow points from a callout box to the "CAA" button. The callout box contains the text: "Be sure to select CAA where you will be prompted to enter your enrollment key: **CAA18!**". Below the radio buttons is an "Enrolment key" input field with a red arrow pointing to it from the same callout box. At the bottom of the form is a blue "Enrol me" button, which is also highlighted with a red box. A second callout box points to this button with the text: "Enter the key and select **\"Enroll me\"** and you will be re-directed to start the course."
